Response to Amendment

1. The amendment/reply filed on 9/23/2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The original composition claims 1-19 have been cancelled in the amendment, however, newly submitted claims 20-31 directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: The newly added claims 20-31 drawn to a method of forming an opening whereas the originally claims 1-19, throughout the prosecution of the instant application, are directed to an etching solution/composition. Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 20-31 withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
